## Rules of Auction and Procedures for Purchase

Auctioneers – Michael Ondrasek and Vance Runnels

1. **Buyer Registration:** Anyone may attend the auction and bid on any exhibitor's project as long as he/she is registered as an Official Buyer. If you are not pre-registered, please go to the registration table and register as an Official Buyer. Any person under 21 years of age will not be admitted into the buyer area without a parent or guardian. There is a registration fee of \$500 per individual, which will be credited towards any purchase ("Buyer Registration Credit"). The Buyer Registration Credit cannot be used for add-on purchases. When you register, you will receive a bidder card with a number ("Buyer Number") to identify you as a buyer during bidding. **Please use your Buyer Number on all purchases.** If you received an auction invitation, you are pre-registered and will only need to check-in at the registration table to obtain your Buyer Number.
2. **How the Auction Works:** Attached is the sale catalog which lists all the junior exhibitors in order of sale. If you wish to bid on an exhibitor's project, raise your Buyer Number. Whether or not you are the winning bidder, your bid will help the sale. If you need help bidding, ask one of the ring men to assist you. Bidding will continue until a high bid is reached. The highest bidder wins. **Only buyers bidding \$500 and above will be announced due to time constraints. This will be strictly enforced.** This auction is a terminal sale, meaning that buyers do not receive the exhibitor's project. Once the Auctioneer announces the successful bid, any additional funds are considered "add-ons." If you wish to add-on to the purchase price, please follow the procedures set forth in Paragraph 4 below.
3. **Auction Caps:** Auction Caps are as follows:

### Grand Champions

Steers .....	\$75,000
Lambs.....	\$30,000
Goats.....	\$30,000
Barrows .....	\$35,000
Turkeys.....	\$15,000
Broilers .....	\$15,000

### Reserve Grand Champions

Steers .....	\$45,000
Lambs.....	\$20,000
Goats.....	\$20,000
Barrows.....	\$25,000
Turkeys.....	\$10,000
Broilers.....	\$10,000

The Grand Champion of each species must sell for more than the Reserve Grand Champion of its species. The Reserve Grand Champion of each species must sell for more than lower placing animals of its species. If the amount bid for an animal exceeds any of the above auction caps, the excess money will be contributed to the Youth Auction Endowment.

4. **Add-ons:** Add-ons are funds added-on to an Exhibitor's project **after** the Auctioneer has announced the successful purchase price. In order to add-on to the purchase price of an Exhibitor's project, you must complete the Add-On Form, which you may obtain from the Auction Bank. **All day of add-ons must be recorded, signed and paid for no later than 30 minutes following the conclusion of the auction. The online add-on portal will remain live until April 11, 2025.** Add-ons will not count towards the cap. Exhibitor will receive total add-ons less 5% commission.
5. **Consortium Form:** For four or more buyers wishing to purchase together, the Official Consortium Form must be used. Consortium Forms must be checked out at the designated Consortium Form area. There will be only one Consortium Form per lot. No other consortium sheets will be accepted. The buyer pooling the funds together is responsible for any shortage or difference from the official purchase price. Only registered buyers may use this form. Buyers must contribute a minimum of \$250 to participate on the form. If buyers wish to contribute a smaller amount, they are encouraged to use an Add-On Form. Buyers using an Official Consortium Form must win the outright bid.
6. **Acknowledgement of Purchase:** If you are the successful bidder and have purchased a sale lot, Auction Assistants will come to you and have you sign the Acknowledgement of Purchase Form immediately following the sale of the item. If there is more than one buyer of a lot, buyers that have signed the Acknowledgment of Purchase represent and warrant that they are authorized to act on behalf of such entity or company and personally guarantee payment of the amount of the final bid price.
7. **Check-Out:** Rodeo Austin will act as cashier for the auction. Checks should be made payable to Rodeo Austin. Check-out is available at the Auction Bank. You may close out your balance at any time during the auction. Please note that this may not be your final balance. Rodeo Austin reserves the right to invoice any remaining balance following the reconciliation of the sale. The Auction Bank will remain open for 30 minutes following the auction. All major credit cards are accepted for payment.
8. **Auction Payment:** Any person, including but not limited to any individual, Buyer's Group or other group affiliation (herein called "Buyer"), is asked to pay his/her auction purchases **in full** at the conclusion of any auction sponsored by Rodeo Austin. The balance is considered due the day of the event. If full payment is not received within thirty (30) days of the conclusion of such auction, the Rodeo Austin Executive Committee may request that such Buyer submit a valid credit card with Rodeo Austin to pay the Buyer's outstanding auction purchase balance.  
  
If Buyer fails to pay for his/her auction purchases **in full** within ninety (90) days of the conclusion of such auction, the Buyer shall be required to submit a valid credit card to Rodeo Austin to pay the Buyer's outstanding auction purchase balance. Additionally, the Buyer shall be required to maintain a valid credit card with Rodeo Austin prior to such Buyer being assigned a buyer's number for any future auction sponsored by Rodeo Austin to guarantee payment for any future auction purchases that are not paid in full at the conclusion of the auction.
9. **Floor/Market Value:** Exhibitors who qualify for the Youth Auction will receive the floor/market value for their respective lot in addition to the sale amount the exhibitor receives in the Youth Auction. The market/floor value is determined by a competitive bidding process facilitated by the Texas Livestock Marketing Association prior to the show based on current market values. Lots from the Steer, Barrow, Lamb and Goat Auctions will receive floor/market values. **Buyers will no longer receive any credit of the floor/market value to their purchase. The buyer will be invoiced in full for the exact amount bid during the Youth Auction.**
